Friends of Bear Creek Stables is over half way to reaching our fundraising goal. Thank you to the many individuals, families, and organizations who donated and joined our effort to bring outdoor education to the public. This is a remarkable show of financial support in a very short amount of time.

Thank you also to our local media that promoted the vision of our stables as a center for community programs. After reading about us, it was wonderful to experience enthusiasm from the public during our meet-and-greets at Bear Creek Preserve and local farmers markets.

We especially wish to thank our current boarders at the stables. Many of them advertise our cause by bringing their horses up from the stables to make connections with visitors and talk about our expanded vision.

Horses and the natural world provide meaningful experiences. Help us finish opening the gate to exploration and discovery by supporting Friends of Bear Creek Stables. Consider donating today at friendsofbearcreekstables.org to provide an educational legacy for tomorrow. As soon as we reach our fundraising goal of \$250,000, we can finalize our contract with Midpeninsula Regional Open Space District and begin offering classes and workshops at the stables as early as this fall.
